

ANNELIESE DESIGNS

Welcome to Anneliese Designs,
Where creativity is fun, full of heart, and always a little inspiring.
Where your visions are brought to life with warmth, color, and purpose!

Who am I?

Well, I'm Vanessa, the owner of Anneliese Designs – your creative go-to with decades of experience under my belt. I'm here to infuse projects with the wisdom of time and the spirit of innovation.

My philosophy

is as simple as a smile:
Be Kind, Be Grateful,
Love What You Do,
and Be True.

I've got a soft spot
for nature, wellness,
and keeping things as pure
as the fresh morning dew.

My skills?

They're as diverse as a rainbow — think Brand Identity, Strategic Writing, Brand and Content Strategy, Information Architecture, Graphic Design, Web Design, and a whole bunch of other creative goodies, from ads to social media posts.

Here's the exciting part:

I work one-on-one with successful businesses and organizations who know their vision but need a skilled, flexible creative partner to bring it to life. Whether it's a specific design project, a branding refresh, or something that's tricky to handle in-house, I step in to deliver thoughtful, high-quality creative work — without the overhead of a large agency. My goal is to make your life easier, your projects smoother, and your brand excel, all while keeping our collaboration effortless and enjoyable.

As my client, you'll get more than just tasks completed — you'll experience a seamless, creative partnership where clarity, strategy, and artistry come together.

I'm here to save you time, make your ideas shine, elevate your brand, and bring your vision into vivid, memorable reality.
